

Tibouchina 'Cool Baby'

COMPACT DISPLAY

Origin: Brisbane, Australia

Species: *Tibouchina hybrid*

Protection Status: PBR protectable

Full sun

Part Shade

Height 60cm

Spread 80cm

Features:

- One of the most compact forms of Tibouchina currently on the market
- Stunning large pink and white flowers throughout the warmer months
- Bred to perform in cool climates
- Very hardy and easy to grow

Suggested Uses:

- Containers and small gardens
- Mixed border and rockeries
- Fast results for new gardens
- Long season of colour for entertainment areas

Water Requirements:

Low. Once established is quite dry tolerant requiring only an occasional deep watering during periods of extended heat.

Care:

Grows well in most soil types that are well draining. Pruning generally not required. Feed in early spring with a slow release fertiliser for best results
